

RABBI TO SPEAK TO LOCAL JEWS

Will Talk On Aims of "Mizrachi" and Rabbinical College Organization.

An interesting visitor to the city is Rabbi Barnch Shapiro of Seattle, a director of the Rabbinical college of New York and leader in the "Mizrachi." He will lecture to the Adath Israel congregation, Third avenue East and Third street, at 7:30 tonight on "Zionism of a National Standpoint."

The "Mizrachi" organization has its branches in nearly every part of the world where Jews dwell. Especially active is the "Mizrachi" in Russia, where it has its headquarters, and also in Palestine and branches have recently been organized in America.

The main purpose of the "Mizrachi" corresponds with that of Zionism to establish a legally secured and publicly assured home for the Jews in the land of Israel. In addition, the "Mizrachi" aims to establish a home for their "Torah," to which humanity owes its great prophets and which will develop some day in its full creative spirit in its own land.

Rabbi Shapiro has the reputation of being a deep thinker of great originality and also an eminent orator. He is now making a tour in the interest of the Rabbinical college and "Mizrachi" organization.
