**BUHL, Jan. 30.**—Twenty-five men of Buhl met tonight and organized the Buhl Improvement club. Officers elected were W. J. Doyle, former mayor of Buhl, president; Pad Bean, secretary; Matt Medalie, treasurer.

The object of the organization will be to devise methods and provide means for the improvement of Buhl in civic, industrial and commercial lines. It is the hope of the organization to procure 100 members. Semi-monthly meetings will be held.

At the meeting tonight the organization criticised the methods pursued by the village officials in asking the Warehouse & Railroad commission to move the Messabe railroad depot from Sharon to Buhl, and said the method that should have been followed was to have put the proposition to the railroad officials.
