## J. E. Rocklin Hit for Second Time In Few Months—Is Pain- fully Injured.

---

J. E. Rocklin, 57 years old, owner of the European Bakery, 131 East Third street was struck by a street car at First avenue east and Fourth street at noon yesterday, sustaining serious injuries.

He was delivering bread and had just jumped from his wagon when a Fourth street car going west frightened his horse. Mr. Rocklin gripped the bridle and the horse dragged him in front of the car, which hit the wagon with considerable force and wrecked the wagon, Mr. Rocklin being buried under the debris. His right ankle was sprained and his head and body badly cut and bruised. His injuries are not thought to be dangerous.

He was taken to his home at 5 East Third street, where he was attended by Dr. Eklund. This is the second accident of this kind Mr. Rocklin has suffered in the last three months.

He was run down by a car while driving across the tracks at Sixth avenue west and Superior street three months ago. He was not badly hurt but his wagon was completely demolished.
