

# DR. MOSSINSOHN SPEAKS ON PROSPECTS OF NEW PALESTINE

---

"Present and Future of Palestine" was the subject of a talk delivered last night at Adas Israel synagogue, Third avenue East and Third street, by Dr. Ben Zion Mossinsohn, director of the Hebrew Gimnazium (high school) at Jaffa, Palestine. He dwelt largely on the future of the Jewish home and told of benefits the Jew in Palestine would reap after the war. More than 300 people heard him.

He will speak in English tonight at the Y. W. C. A. to the professional and business women of the city on the same subject.
