Here Are the
Names of the
Boys and Girls
Who Won the
Prizes in the Thrift
Stamp Essay Contest.

Duluth boys and girls are certainly patriotic; they have some fine ideas about saving money to help win the war.

The judges Miss Elizabeth Porter, Mr. E. Van Cleef and Mr. C. E. Wallace, all of the State Normal School, had a difficult task selecting the winning essays. Almost five thousand, to be exact, we believe 4,816 boys and girls wrote essays on Thrift Stamps!

There were many original ideas; most of them so well expressed as to reflect credit on the boys and girls who wrote them; the teachers who taught them—and the schools of Duluth as a whole.

The first prize to High School students was awarded to Elvarda Elizabeth Newton of 727 Garfield Ave., of the Lincoln Junior High School.
