

# 50 BOYS WILL GO TO CAMP MILLER

## Y. M. C. A. Building to Close Six Weeks for New Decorating. Members Off to Lake.

Fifty boys today boarded the N. P. for Sturgeon Lake, Minn., to attend the second week at Camp Miller. They were accompanied by Robert D. Annand, who has been in charge of the boys' building for the past week, and which will be closed for two weeks, in the absence of Director N. D. McLeod and Lieutenant Buswell.

During the two weeks that the building is closed the boys who do not attend camp will swim at the men's department Tuesday and Thursday nights at 8 o'clock. The building will be put in the hands of renovators so as to be in best of condition for the big winter program which starts with the opening of school next month.

During the past week there have been 65 boys in attendance at camp and those who are returning are full of the great time they had during the first week.

Hundreds of boys have enjoyed the swimming periods at the boys' building during the past week, the only difficulty experienced being to rid the pool of fishes when the swimming period is up.

Observing people say that some of the boys are growing fins.

The boys going for the next two weeks are:

Clinton Swift, George W. Wells, George Mountford, Richard Taylor, Milton Prince, Earnest Lasker, Donald Spencer, Robert Jones, Stephen Jones, John Harlow, Fred Harlow, Jas. Drummond, John Abbot, Chas. Britts, Emmons Collins, Chas. Leach, Warren Colter, Lionel Ball, Robt. Meager, John Ball, Chas. Gregory, Warner Cleveland, David Abell, Maurice Baller, Wm.
