## CRUELTY TO ANIMALS CHARGE.

Jacob Goldberg was arrested by Capt. Osborn of the Superior police department on a complaint filed by humane Officer Bird, who alleges that Goldberg was treating calves, heifers and steers in a cruel and inhuman manner. It is understood that Goldberg used no chute, slide or skidway to get the animals out of the cattle car, but threw them out at their own mercy. When arraigned in court this afternoon his case was ordered adjourned by the court until next Thursday at 10 a. m.
