McCormick, treasurer. Other members are R. M. Heskette, Sam Ellis and J. M. Trevarrow.

George A. Perham, secretary of the Commercial club, was selected as secretary for the committee.

Subcommittees are being arranged and a general meeting has been called for Monday night in the city hall.

Among attractions scheduled are indoor ice skating, toboggan slides, curling, bonspiels, dancing, banquet to the returned fighters, and a big parade of different organizations.

Invitations will be sent to organizations in other towns to send representatives to the festivities. Committees have received instructions to make it the biggest celebration ever seen on the Mesaba.
