CHISHOLM, Feb. 24.—The B'nai B'rith lodges of Hibbing and Chisholm entertained at a banquet tonight the range members of the order, who have returned from service in the army and navy. Ten service men occupied the seats of honor. The address of the evening was made by Rev. A. Brownstein of Chisholm, who eulogized the soldiers and their great mission in the World's war.

"You men return to us wearing your country's uniform and we are proud of you and the showing made by the Jewish people in this war for human freedom," he said.

Harry Goldenberg, a youngster, made an appeal for the Jewish orphans of Palestine. He was applauded. The hall was decorated in the national colors and an orchestra furnished a patriotic program.

Members of the lodge were present from Hibbing, Buhl, Kinney and Stevenson. Members of the local lodge were in charge of all arrangements.
