

DULUTH MILITARY CLUB IS NAME OF NEW ORGANIZATION

Miss E. Fostoff Awarded Prize Ball Planned For Feb. 22 to Aid Returned Service Men.

"Duluth Military club" was the name selected last night for the service club recently organized by the local soldiers, sailors and marines. The name was submitted by Miss E. Fostoff, 1318 East Second street, who will be awarded the five dollar prize offered by Sergt. F. J. Buck, president of the club. Among the large number of names submitted were the following: American Patriots' society, War Service Comrades, Comrades of 1919, Navamarines, Pershing club, and Sal-Mar-Sol club.

The club will give a military ball at the Armory Feb. 22, the proceeds of which will be used to aid re-

turned service men financially, by loaning them funds for a year, without charging interest. A committee will canvass the city in the sale of tickets. Special executive and floor committees will have charge of the dance.
