Edgar Kleffman was named manager of the basket ball team. Kleffman is a former University of Minnesota player and a star on the local high school teams. He will have with him such players as Barker, St. Julien, T. Kaiser and others. Games have been scheduled with Cloquet and other contests are looked forward to.

There was an attendance of 100 members at the meeting. The question of uniting with other range soldier clubs was discussed but no action was taken, although the idea is favored here. It was advanced by the Chisholm club and has been approved by other clubs on the Mesaba range.
