

# ZENITH CHORUS PLANS CONCERT AT GYMNASIUM

## Marshall-Wells Com- pany Employees Will Hold Songfest.

The Zenith chorus announces its second concert and dance, for the evening of Friday, May 2, at the gymnasium of the Marshall-Wells company.

This chorus which is composed of employees of the Marshall-Wells company now has a membership of 91. The first concert given last December proved a success and aside from providing wholesome entertainment, netted \$165, all of which was donated to the local chapter of the American Red Cross.

The coming concert will provide a variety of entertainment, including several numbers by the chorus, solos, monologues, and a black face minstrel sketch, which will be followed by dancing.

The chorus is under the direction of Miss Myrtle Gregg Hobbs, with Ralph E. Page as pianist.

Admission will be confined to the company's employees and their friends.

Officials of the Marshall-Wells company are encouraging this organization, believing that time and funds spent in its development will prove well invested through a strengthening of the morale and making happier the working conditions of the employees.
