

CENTRAL, DENFELD STUDENTS NAMED IN HONOR ROLLS

Total of 124 Persons Credited
at Former, 71 at the Latter
School.

The honor rolls for the month of May announced at Central high school yesterday bear the largest number of names for the year. Seventy-two students were listed in the "B" roll, while 52 appeared on the "A" list, making a total of 124. A comparison of the last three months, each list containing a longer list than the preceding one, shows that scholarship records at the school are creditable, notwithstanding the extra work that is being done in order to overcome the time lost last fall.

The cards will not be given out again until after the examinations and will contain the students' average in the various subjects for the year. The "A" list for the month follows:
