

EVELETH BOARD RAISES SALARIES OF TEACHERS \$35

New Minimum Scale Fixed, List for 1920-21 Announced at Evening Session.

EVELETH, April 1.—Increases ranging from \$20 to \$35 annually and the adoption of minimum wage of \$1.300 for grade school teachers and \$1.500 for high school teachers were the two most important actions of the Eveleth board of education at its meeting here tonight.

The minimum wage will apply to teachers without experience. The minimum wage of teachers of 'two years' experience was set at \$1.400 for grades and \$1.600 for high schools. No maximum wage has been set.

The salary increases will apply to all. Those already receiving higher salaries will receive a smaller increase while the more substantial increases will go to those now receiving low salaries.
