LITCHFIELD WINS IN TIE OFF GAME

Willmar's Championship Chances Go Glimmering in Hard Fought Battle at Dassel

(By Ralph Hoyt) On playing off the tie between Will mar and Litchfield at Dassel, Monday afternoon, the Meeker county bunch won by a score of 17-12. Thus Will-

mar is eliminated in the race for the district championship which is to be decided this week between Litchfield However, the fact that Willmar lost

a fairly contested game is nothing to be ashamed of, the opponents outweighing the locals ten or fifteen pounds to the man and the winning feature of the game being on foul baskets. On the floor the game was about even, both sides scoring five field baskets and both sides playing close defensive. Willmar's long shots came close but failed to connect in most cases. Hahn and Grace, the two Jersey mosquitoes, the outweighed were too much for the Litchfield for wards, while their offensive was almost entirely carried on by the center, who made thirteen out of the seventeen points. He made the rec ord of seven out of nine of free shots playing a speedy game, and in spite of close guarding found the inside of the ring nearly every time he tried Our forwards, Severinson and Christian, especially the latter played hard all the way thru but owing to the op ponents bunching up, were unable to carry on their pretty teamwork as formerly. In the latter part of the game Severinson was forced out on account of a wrenched foot and Grace

having just been substituted for Nelson at center took his place. Grace's guard position was played by Pelton and Dale took center thru the rest of the game. After these substitutions Willmar continued to hold even on the floor, the March's excellent free shooting continued. The game was very satisfactorily efereed by George Miners of the University. Altho there was much playing at close quarters, Miners was ight on the job, nothing escaping, ten personal and two technical fouls

being called on Litchfield and sever personal and one technical on Willmar. Out of the two teams, Christian alone played the entire game without a foul. Though beat by free shots we were beat fairly. Our chance for the district championship is gone "Goodby Biddy, it's hard to par with you." A few minutes of fast scrimmage

ended in a personal foul on Litchfield a minute later Christian negociated Rev. Paul Hallin of the Swedish Bap the first basket, with a field goal bas or probably sooner. Mr. ketby Severinson and another from each from March and Carlson, the first half ended 8-7 with Litchfield on the long end. Christian changed it to Willmar's lead by one point and March made two field baskets and two off fouls, while Grace made one from the foul line, the third quarte ending with Litchfield leading at 14-10. In the last quarter Severinson made a fine long shot and Post go his only basket. March making another free shot just before the

time was called. The spectators all agree it was hardly contested game. A large number of rooters accompanying both teams to Dassel. Especially was there big crowd from Litchfield, which was to be expected as the distance is not so great. However, as reward for past treatment Willmar had the entire support of the Dassel bunch, many of which wore the red and white and assisted
