

ODD FELLOWS HAVE BAZAAR TO BOOST BUILDING FUND

A record-breaking attendance at the bazaar now being conducted by Duluth lodge No. 28, I. O. O. F., at 20-22 West Superior street, has helped to swell the building fund greatly, according to officers of the lodge.

Belief was expressed by Harry Witz, noble grand of the organization, that work on the construction of the new \$100,000 clubhouse would be begun next spring. The building, he said, would be modern in every detail, including up to date club and lodge rooms.
