

RABBI DENOUNCES FORD CHARGES AGAINST JEWS

"Ford's attack on the Jews." was the subject of a sermon delivered last night in the Temple Emanuel by Rabbi Israel Lebediger.

"Ford charges the Jews with having organized to destroy the government, and form a Jewish government to control the whole world," Rabbi Lebediger said. "Ford is right. Jews have formed but not by Trotzky or Jewish capitalists in the United States and England, but by God and Israel for the purpose of bringing religion to the world."
