## DULUTH'S NEW NATIONAL BANK WELCOMES YOU

TODAY The Minnesota National Bank of Duluth opens its doors to the public. With a capital of \$600,000 and surplus of \$120,000, this addition to the city's financial institutions is concrete evidence of the steady expansion and growth of Duluth's commercial interests.

Conveniently located at 224 West Superior Street, in the heart of the city's business and financial district, easily accessible from every part of the city and equipped with all modern banking facilities, this new National Bank immediately takes its place among the largest and strongest financial institutions of Duluth.

The Minnesota National Bank is officered and managed by seventeen of Duluth's best known and most responsible business men. Their names establish immedi-

ate confidence in the bank's strength and indicate the wide range of banking and business experience which these men represent.

No business will be transacted today, as all departments will be open for inspection. A special reception to the ladies takes place from 2 to 5 o'clock and the general reception is announced for the evening between the hours of 6 and 10. Attractive souvenirs have been provided for those who attend the opening, and a vocal program will be rendered in the afternoon by Miss Mary Bradshaw.
