

This Laxative Is Now in Half a Million Homes

They regulate their health with Dr. Caldwell's Syrup Pepsin

WHERE there are women and young children, and elderly people, it is always well to have a mild, gentle-acting laxative like Dr. Caldwell's Syrup Pepsin handy. This is a combination of simple laxative herbs with pepsin which does all that is required in constipation and does it with safety and comfort. It is free from narcotics and may be given to babies. Half a million mothers have it in as many good American homes, and these families are healthier for it. Every drug store sells Dr. Caldwell's Syrup Pepsin.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest-selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 611 Washington St., Monticello, Illinois.

HOW TO ACQUIRE HAIR BEAUTY
You can enjoy a delightful shampoo with very little effort and for a very trifling cost, if you get from your druggist a package of camthor and dissolve a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. Your shampoo is now ready. Just pour a little at a time on the scalp and hair until both are entirely covered by the daintily perfumed preparation that thoroughly dissolves and removes every bit of dandruff, excess oil and dirt. After rinsing the hair dries quickly with a fluffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.
