PRESENT SKIT TO BOOST DEBATE

Central High School Students Advertise Triangular Contest With Superior and Denfeld.

A short play advertising the Duluth Central-Superior Central-Denfelf high school triangular debate, which will be held Friday night, was staged at the Central high school during the regular chapel exercises yesterday morning.

Harold Campbell, manager of Central's debating teams, urged the students to support these debates the same as they do athletics. In previous years the teams have been debating for the Garon cup, which was won by the Central high school. A new cup, known as the Joseph's cup, will be awarded to the school-winning the next three out of five contests.

The students that took part in the play yesterday morning in advertising this debate were: Harold Campbell, manager; Herman Griffith, Percy Ging, Grace McDonald, Ida Kaplan, Cedric Jamieson and Harry Levine.

George Dworshak announced the "Vamp," a publication that will appear at Central next Wednesday morning. All proceeds taken from this paper over necessary expenses will go to support athletics during the remainder of the season.
