Mrs. Manley Fosseen to Address Mass Meeting Tonight.

MRS. MANLEY FOSSEEN, state chairman of the women's executive committee of Republicans, will arrive from Minneapolis this afternoon to address the organization meeting of Republican women at 8 o'clock tonight in the Assembly hall of the Y. W. C. A. Mrs. Fosseen will be the house guest of Mr. and Mrs. Millie Bunnell during her stay in the city.

Tonight's meeting is called for the purpose of electing officers for the newly formed city Republican Women's club and for further interesting the women in the politics of the party. John W. Nasle will talk on Political Organization.

"There is but one possible rule for a political party," says Will H. Hays, chairman of the Republican national committee. "And that is that the rights of the individual membership to participate in the management of the party's affairs must be and remain equally sacred and sacredly equal. The Republican women in this country are a part of the party membership. They come into this party activity not as women, but as voters, entitled to participate and participating in so far as the present legal limitations permit, just as other voters."

The Republican women's national executive committee, under whose auspices tonight's meeting will be held, has been appointed to act with the Republican national committee in an effort to devise ways and means to make certain the full participation by the Republican women of Duluth in the party's affairs.
