A local society of the Hebrew order of the Knights of Zion, whose announced object and purpose is to reclaim Jerusalem and Palestine by buying them outright from the Sultan of Turkey, was organized in Duluth last night with sixty-three members. It will be officially known as Chave Zion Gate of Duluth, No. 14.

This movement on the part of the Jews to again secure the Holy Land, every foot of which is associated with the history of their race, had its inception a number of years ago and has now grown to such proportions that Hebrews in every part of the world have joined it. It is estimated that over 7,000,000 of them are affiliated with the plan, which is to purchase the country and make it a home for persecuted Jews from all parts of the world. With such success has the work been organized that even now three representatives of the Jewish people are in Constantinople negotiating with the sultan and endeavoring to secure terms.

The organization in Duluth promises to be a thriving one. Speakers will be secured to make addresses and various entertainments will be given to raise money for the cause. The officers elected to administer its affairs are: President, M. Z. Kassmir; vice president, A. Sosnowsky; secretary, I. Sosnowsky; treasurer, J. Pollnsky; trustees, I. Rosenberg, J. Alperen, S. Karen, M. Weinberg, A. Marcus. The next meeting will be held Saturday evening, when an address will be made by a prominent Jewish speaker from St. Paul.
