## HOW "TIZ" GLADDENS TIRED, ACHING FEET

No more sore, puffed-up, tender, aching feet—no corns or callouses.

"Tiz" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chilblains.

"Tiz" draws out the acids and poisons that puff up your feet. No matter how hard you walk, how long you dance, how far you walk, or how long you remain on your feet, "Tiz" brings restful foot comfort. "Tiz" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a box of "Tiz" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! a whole year's foot comfort for a few cents.

## Fat People Have Perverted Taste

Prove That Arbolone Removes Craving for Wrong Foods.

Dissolves and Eliminates Fatty Tissues Harmlessly.

Any Anti-Fat treatment that fails to correct the perverted appetite and craving for the very foods which make fat is certain to fail of permanent results. Mark that fact well! Five-grain tablets Arbolone removes the craving for undesirable fatty foods, restores natural appetite and digestion, while it dissolves fatty accumulations in the body and eliminates slowly but surely, without weakening or other evil effects.

Mrs. L. Holly, Imperial, Cal., writes: "Kind Sirs: Have taken your Arbolone Tablets for obesity and in seven months reduced from 203 pounds to 152 pounds. I cannot say enough for them, and anybody who is fat should take them. My health is better than ever, etc."

Tablets Arbolone enjoy the largest sale of obesity medicine, and they deserve it. Sold by all well stocked drug-gists in sealed tubes with full directions.
