

RABBI CHAZIN ACCEPTS

CALL TO PERTH AMBOY, N. J.

Rabbi H. L. Chazin, who has been rabbi Hebrew Brotherhood Congregation for two years, will leave this afternoon for Perth Amboy, N. J., where he will assume a pastorate. Before coming to Superior, Mr. Chazin was rabbi of a Jewish congregation in Minneapolis. In his farewell address yesterday morning, he thanked the Jewish people of the city, other residents and the press for their co-operation.

"We are greatly mindful of the consideration given the people of our nationality by the general public of the city and the press," he said. "The Jews of the city have accomplished many things for the church and for Superior. They have contributed liberally to relief work for the oppressed of other nations."
