BEMIDJI—With 88 students the fall term of the Bemidji normal school began this week and members of the faculty are pleased with the showing made the first week. The dormitory, completed last June, is filled to capacity. For those who have been unable to obtain rooms in the dormitory citizens have opened their homes and enough rooms have been found for all. The second, third, fourth and fifth grades in the elementary department were opened this week with 53 attending.
