

# HOLIDAY SERVICES TO BEGIN AT TALMUD TORAH SYNAGOGUE

High holiday services will be held at Talmud Torah synagogue, 310 East Second street, beginning at 8 o'clock tonight. The services will continue tomorrow morning, tomorrow night and Tuesday morning. Dr. Heller of New York, who was to have given the service, will be unable to come and Dr. Benjamin Plotkin has been sent here by Dr. Heller to substitute for him.

The discussions will be chiefly for the Jewish young men and young women. Important Jewish communal activities are being planned by the Talmud Torah congregation for the coming year. According to present plans a Jewish Institute may be founded here.
