

CUT H. C. L. AIM OF BUHL MERCHANTS

Farmers' Day Planned for Sept. 25
Directed by Range Town
Merchants.

BUHL, Sept. 6.—Buhl, in common with other range towns, is trying to cut the cost of living. Because market days have proved successful in other localities, merchants of the village have arranged for a Farmers' day to be held here Sept. 25. The committee in charge of arrangements includes Peter Simonson, M. A. Medalle and G. E. Webster.

It is planned to give at least \$300 in prizes for the best samples of produce raised this year. The three classes will be warded as follows: farmers, village gardeners and gardens of school children.

The committees are as follows: Finance, A. L. Smith and Peter Aarni; prizes, M. D. Aygarn and Con Olson; music and refreshments, Peter Simonson and G. E. Webster; advertising, C. C. Crosby and G. E. Webster; decorations, N. L. Johnson and Walter Manson; buildings, E. J. Lavine and M. A. Medalle.

The pavilion built by the local post of the American Legion will be used for exhibit purposes. Farmers living at Sherwood, Kinross, Andersog and North Pole will be asked to participate.
