But don't delay! It is dangerous to neglect this disease in the early stages, and there is no excuse for enduring what can be remedied.

Others Have Been Made Happy, Why Not You?

Before taking Dr. Kassmir's treatment, my head felt all blocked up with catarrh. My hearing got so bad that people had to speak very loud to me. The noises in my head annoyed me very much. Since taking Dr. Kassmir's treatments, the results are very gratifying to me and I feel like a new person.

M. KRIEL,
Smithville, Minn.

Truly I do not believe any person could have suffered more from catarrh than I have. For 15 years I had been doctoring for this without improvement. I am very grateful, indeed, that I learned of Dr. Kassmir, and I now feel like a different man since taking his treatments. I recommend people who are suffering from catarrh to take his treatment.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel Back-
ache or have Bladder
trouble.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take one tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
