

# LEADER OF WORLD ZIONISM COMING, DULUTHIANS HEAR

I. B. Aarons, president of the local Zionists' organization has received official information from Zionist headquarters in New York, that Dr. Chiam Weizmann, leader of world Zionism, will arrive in this country Jan. 15. News of his arrival is hailed by Zionists in Duluth and throughout the country with satisfaction. As a first step for the work to be undertaken by Dr. Weizmann, strong efforts are being made in this city as well as throughout the country to enroll all Zionists of the various districts as sustaining members of the Zionists' organization of America.

For years, it had been hoped that Dr. Weizmann who had made possible the famous Balfour declaration making Palestine the Jewish national homeland, would honor America by a visit. Owing to political negotiations, however, which have been going on between the Zionists and Great Britain and France in connection with the Palestine frontier, Dr. Weizmann was unable to accept the invitation of Judge Julian Mack, president of the Zionists' organization of America, to come to this county. Now that political negotiations have come to a successful conclusion, Dr. Weizmann will come here and present to American Jewry his plans for the building of the Jewish homeland.
