

TWO TINY TOTS PRESENT \$80, SAVINGS OF YEAR, TO HELP RELIEF WORK

Augusta is 10 and Beatrice is six years old, yet their youth is no bar to their thrift and charitable spirit.

They are the daughters of Mr. and Mrs. Harry Vertelney, 307 Eighth avenue East, and each has saved \$40 within the last year, which will be donated, they said yesterday to the Jewish relief fund.

Their saving of the year before also were donated to charity and when they presented their little hoard of cash, they started saving "all over again," anticipating there soon would be another worthy cause for their efforts, according to their father.

The \$80 will be donated tonight in Shrine auditorium at the relief mass meeting.
