

"ISSIE" CARRIED FLAG.

Hibbing, Nov. 5.—(Special.)—"It was the biggest gathering of the American Legion in the history of the organization and I would not have missed it for anything." This is the way, Israel Sher described the annual meeting at Kansas City upon his return yesterday. "Issie" was a delegate from this district and carried the Cobb-Williams post flag in the procession. Fifty thousand men were in line and 1,400 various flags were carried by the buddies.
