

## *Advisory Appointee Quits; Old Member to Substitute*

---

Following the announcement that A. Honette refused to serve, Michael M. Sher, who has moved from the Third to the Seventh ward, and who was deposed as advisory board representative in favor of Honette was appointed to attend all meetings of the council until a successor is named.

A petition from the Parent-Teacher association of the Howe school was presented to city officials seconding the petition of taxpayers of the Seventh ward that Rev. Theodore A. Ekblad be appointed to represent that ward on the school board in place of P. G. Stratton, who is now a resident of the Second ward. Stratton has not been a resident of the district for 90 days.
