IF SKIN BREAKS OUT BURNS AND ITCHES APPLY THIS SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant, cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place. Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema, right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness. You do not have to wait for improvement. It quickly shows. You can get a little jar of Mentho-Sulphur at any drug store.—Adv.

CRAMPS, PAINS AND BACKACHE

St. Louis Woman Relieved by Lydia E. Pinkham's Vegetable Compound

St. Louis, Mo.—"I was bothered with cramps and pains every month and had backache and had to go to bed as I could not work. My mother and my whole family always took Lydia E. Pinkham's Vegetable Compound for such troubles and they induced me to try it and it has helped me very much. I don't have cramps any more, and I can do my housework all through the month. I recommend your Vegetable Compound to my friends for female troubles."—Mrs. DELLA SCHULTZ, 1412 Salisbury St., St. Louis, Mo.

Just think for a moment. Lydia E. Pinkham's Vegetable Compound has been in use for nearly fifty years. It is prepared from medicinal plants, by the utmost pharmaceutical skill, and superior methods. The ingredients thus combined in the Compound correct the conditions which cause such annoying symptoms as had been troubling Mrs. Schultz. The Vegetable Compound exercises a restorative influence of the most desirable character, correcting the trouble in a gentle but efficient manner.—Adv.

How I Took My Freckles Off

"I was called 'freckle face' by nearly everyone, and the embarrassment and humiliation was almost unbearable. One day I noticed an article in the paper telling of the appearance, by using a cream called Freckles. I made up my mind to try it, and lost no time in getting a jar of Freckles Cream. It removed my freckles so quickly that it seemed almost like magic, and it also acted as a skin bleach.

"It took just one application to convince me what it would do, as I tried it on one side of my face before bedtime, and the next morning carefully examined my face, and in that short time my freckles were much fainter, and eventually disappeared entirely. I now find it a good plan to use Freckles Cream before the freckles reap, as it is much easier to prevent their reappearance than it is to take them off."

"I always use Freckles Cream, as it is different from anything I have ever used before in as much as it not only removes freckles, prevents their reappearance, but acts as a beautifier as well."

"Freckles Cream can be obtained at the toilet counter of all drug and department stores, and they give you back your money if it fails to please. That certainly is fair. Try it tonight and you will be astonished."—Adv.

America's First Mutual Savings Bank

THE first savings institution of this character in America was founded in Philadelphia in 1816. Others followed with increasing rapidity and success. From the beginning these helpful institutions have been conducted by men with the best interests of the people at heart—men whose names were a guarantee of good faith and prudent management.

This has been particularly true of the Bank of Commerce and Savings in the city of Duluth—the safeguarding of the funds deposited here having always been the chief concern of this bank.

Depreciation, that sinister and unseen expense, is eating into the value of your machine every minute. Your dollars invested in it slip noiselessly away day in and day out. Take the street car and put your money into some income-bearing investment.—Adv.
