

\$100,000 First Street Building Job Pending

Second avenue West and First street, the southeast corner to be exact, has been selected by the Duluth Theater company as a site for a two-story building to be constructed at an approximate cost of \$100,000.

Announcement to this effect was made by B. J. Cook, treasurer of the theater corporation here. W. M. Prindle & Co., are agents for the company.

10 Stores Planned.

According to present plans, 10 stores will be afforded space in the proposed building. As soon as the contract is awarded, construction will be started, Mr. Cook said yesterday. It is expected to be completed for occupancy in the fall.

Mr. Cook asserted that no expense will be spared to make the building modern and complete in every respect. As the growth of First street becomes pronounced, additional stories will be added, he said.
