

"Y" Secretary to Attend International Conference

E. C. Wade, secretary of the Du-
luth Y. M. C. A., will leave tonight
on the steamship Tionesta for Buf-
falo to attend a conference of 32
secretaries of the international "Y"
at Niagara Falls, Ont., July 7-9.

A re-organization of the associa-
tion, eliminating the dual system of
national and state organizations, is
the object of the conference. The
present system which has grown up
in the last 50 years, had resulted in
a duplication of effort and an un-
necessary overhead expense. About
1100 Y. M. C. A.s will be represented
by the 299 delegates, and of this
number, 800 of the organizations
termed "city Ys" will be represented
by the group to which Mr. Wade be-
longs.
