

Kids Showing Speed in Entering "Pushmobile" Contest for Trophies

Talk about speed?—Wow, and then some more. If the kids show as much speed in The News Tribune's pushmobile contests Friday as they did yesterday in entering the contest there is going to be some speed.

To make this thing good the pushmobile editor is going to give away two wagons. One to each team member. In this way the "pusher" and the driver can each have a wagon.

Twenty pushmobile teams entered yesterday and there should be fully twice that number today and by 12 o'clock Friday noon. No entries will be received after that time. The race starts at 2 o'clock Friday.

Just like Walter Hoover had to row in heats at England so will the winner of the pushmobile compete in heats. The large entry makes it necessary.

The judges appointed yesterday include S. V. Saxby, Chamber of Commerce, A. H. Davenport, assistant city treasurer, Harley Davidson, Northland Country golf club.

Rush in your entries kids. The winner will receive a nice rubber-tired express wagon. The "trophy" is now on display at The News Tribune.
