

Woman, Hurt in Auto Accident, Demands \$5,000

Hearing of the claim of Mrs. Tillie Litman against E. M. Pattison was begun by a district court jury yesterday before Judge C. R. Magney. Mrs. Litman seeks to recover \$5,000 damages, alleging she received serious injuries when an automobile driven by Pattison struck a car in which she was riding.

The collision occurred at Second avenue West and Ninth street. Three other actions are pending against Pattison as a result of the accident. It is probable that the decision in the case will be used as a basis of settlement in the remaining three actions.
