Fashion Hints

REAR FULLNESS A Paris frock for afternoon, in soft green crepe, has a natural waistline and full skirt that has a back hipyoke of gathers fastened to a lining. The very front repeats the gathers.

TRICOLOR BANDING A wide sided ballibuntl hat, in black, uses chartreuse, black and offwhite narrow grosgrain ribbons to band it. All three colors make their own bows flat against the crown on

YELLOW-BROWN A Havana-brown cardigan silk suit has a yellow handkerchief linen gilet Light travels 186,000 miles a second. gram was started, many other thou- and is topped by a brown felt hat with yellow quills stuck through its

COLORED POM-POMS A soft rose beige felt hat for warm days in the open has no trim save three little ostrich pom-poms, in yellow, rose and pale blue, stuck through

one side of the crown. TRIPLE COLLAR A rose and cream figured chiffon, on a pale grey background, has a triple cape collar in the back, of plair rose, grey and cream chiffon, with one-inch ties of all three making triple bows in the front of a V neck.

TWO-PIECE SPORTS White tennis frocks now come in

cute two-piece models. The skirts usually have fitted yokes, while the tuck-in blouses are diminutive things with no sleeves and a very low sunburn back line. BACKLESS FROCKS

Tennis and golf both prefer the low backline for their necks' cut. One white silk pique frock has its back cut very low and rounding and its front rounding but not so low. They are laced together on the shoulder and the strings tied in bows.

GREEN CIRCLES A little black satin cloche has halfinch wide circles of about two-inch diameter in eight shades of green velvet arranged from ear to ear across the top, with the tones graduated, the darkest on the left ear and the others lapping over each other slightly until the lightest covers the right ear.

NEW ACCESSORIES Stunningly new is an ensemble of hat, scarf and bag which uses grey tweed for the hat, banded and bow-ed in grey, cream and blue, and for the purse which uses grey, cream and blue kid for pipings. The scarf is blue crepe de chine, with grey and
