DULUTH, MINNESOTA

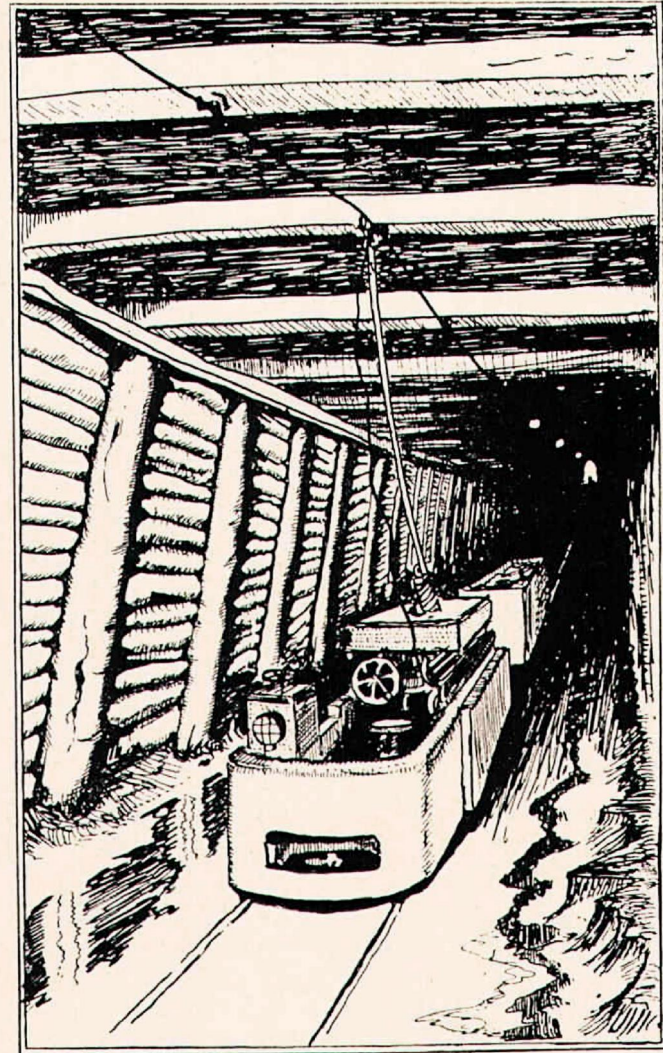

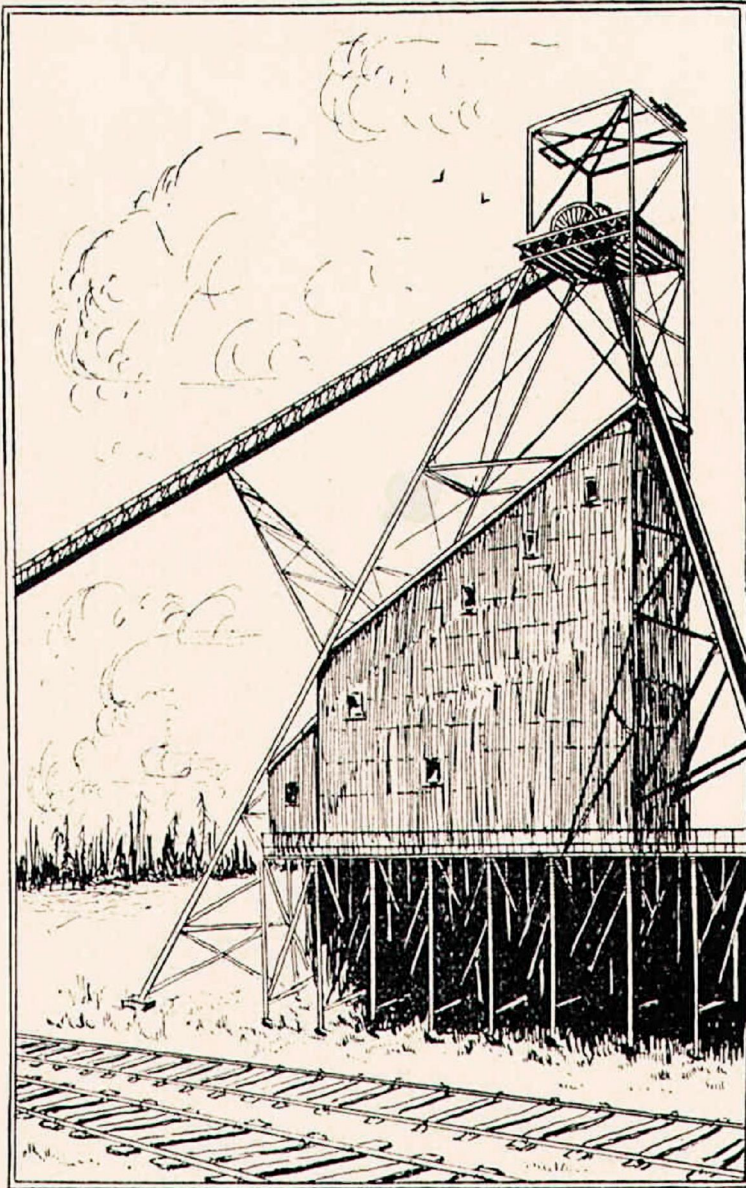

EX LIBRIS

# DEDICATION

To Duluth, and her Iron Ore Realm—to the mining industry, and the countless benefits it has brought to our city—to the mighty iron ranges, and their vast deposits of ruddy ore—to the future of Duluth, and the future of the various iron ore industries, which shall ever go hand in hand—to these things, we, the class of 1933, dedicate this fortieth publication of the Zenith of Duluth Central High School.
