Wildlife Conference Held at Cloquet.

A wildlife conference, called by E. V. Willard, met at Cloquet last week to discuss a closer coordination between the several agencies engaged in wildlife research in Minnesota.

Speakers at the conference included Herman T. Olson, Tower; Frank Blair, of the division of game and fish; Gordon Fredine, BCW biologist; H. E. Statler, warden supervisor at Duluth; Dr. Ralph T. King, of the University of Minnesota; Allen Laidlaw, of the Federal Soil Conservation Service; Dr. R. Fenstermacher, of the University of Minnesota; Dr. Samuel Eddy, of the University of Minnesota; and Dr. Thaddeus Surber, superintendent of fish propagation.

Mr. Willard said that the conference was one of the most successful he has attended and should result in a more advanced wildlife research program in Minnesota.

Filling Station Blows Up, Injures Customer.

West St. Paul—It doesn't pay to stop to have a tire repaired in West St. Paul, Serbert J. Schaaf believes. It was while he was engaged in that rather peaceful pursuit when the filling station in which he was working exploded, apparently due to a gas leak and a defective wiring in the building. Schaaf was hurled more than 15 feet out of the building to the ground. He was burned severely about the face, head, arms, chest, and abdomen, and suffered possible internal injuries. When the blast occurred, Luke Schaaf, a cousin of the injured man, and W. H. Davis, station proprietor, were standing along side of Herbert but only suffered skin burns. Doors were blown from their hinges and windows shattered. The noise was heard for more than a mile. Schaaf was returning from a picnic with his family when the accident occurred.

DROP BOAT TRIP TO CONVENTION

American Legion Cancels Boat Trip to Cleveland Parley in September.

Owing to legal obstacles in connection with American Intercoastal Shipping Laws, the American Legion has been forced to drop the boat trip from Duluth to Cleveland.

Original plans called for the departure of the Noronic on September 17, with approximately 500 members of the Legion and Auxiliary from Minneapolis, North Dakota and northeastern Wisconsin and Michigan, with the vessel serving as a hotel during the convention with the return trip on Sept. 27. Dr. Robinson of Duluth, in charge of the trip by boat, was advised by the Northern Navigation company that shipping laws prevented the Noronic from making the trip and serving as a hotel. As a result the boat trip has been abandoned and the legionnaires will travel to Cleveland by special train leaving the Twin Cities on September 19.

A large number of reservations had already been made by several bands, drum corps and individuals and the cancellation of the trip is regretted.

Value of Cheerfulness. An ounce of cheerfulness is worth a pound of sadness.

From Missouri, But Needs "No Showing."

Jackson—E. H. Warren, manager of the Botsford Lumber Co., at Jackson, is one fellow who is skeptical about the saying "I'm from Missouri, you'll have to show me." A Missourian who visited the company's office recently didn't have to be shown the cash box, but got away with approximately \$100. The stranger entered the office and stated he was interested in purchasing a quantity of building material. Warren quite naturally was alert to the possibility of making a sale. After giving the stranger figures on his wants, Warren was called to his private office a moment. Absent but a minute, he returned to find the stranger gone. Becoming suspicious, Warren examined the cash drawer, and found the \$100 missing. The "bird" had flown and apparently did a pretty job of covering up his whereabouts, for police have found no trace of him. The man was driving a 1931 Chevrolet coupe with Missouri license plates.

ANNOUNCEMENT

Through the will and wish of many people, I announce myself as a candidate for school director at the coming school election. I respectfully solicit the support of citizens of Independent School District No. 12 at the polls on Tuesday, July 24, 1938.

IVAN TAUZELL.

An Appreciation.

The Ely Miner,
Dear Sirs: In behalf of the executive committee of the Finnish Midsummer Festival, I want to thank you for your cooperation and the splendid publicity you have given us.

Yours truly,
VICTOR J. THOMPSON,
General Chairman.

Card of Thanks.

We wish to express our sincere thanks to our relatives, friends and neighbors for their kindness and beautiful floral offerings during our sad bereavement. In the loss of our beloved wife and mother.

Oscar Levander, Jr., and Family.

Junior Legion Team Wins Last Two Games.

The Junior Legion baseball team is covering itself with glory and is maintaining its lead position in the league. The boys won the last two games played with a comfortable margin. The games played, lost and won, were as follows:

July 6, Ely 3, and Virginia 4, at Virginia.

July 7, Ely 16, Tower 6, here.

The record of the team now stands five won and 2 lost. In the game here Wednesday the team hit the ball to all parts of the park. The Bivabik team had previously forced the locals to play 10 innings in a game at Bivabik two weeks ago which was won by Ely 3 to 2.

Dump is Poor Hiding Place for Law-Breakers.

Springfield—Nowadays a fella can't even trust the dump grounds with a secret. Whatever caused Ray Neumann, game warden, to look for evidence in the city dump is a deep mystery, but Neumann found two pheasant heads in an old pall one day recently. Very carelessly, the owner of the pall had neglected to remove the tag, so Neumann, who was accompanied by another game warden from St. James, continued his investigations at the home of L. G. Retzwill, Springfield auto painter. There the garbage can revealed further evidence that pheasant had been grazing the table of late, and the result was a \$25 fine imposed by a New Ulm Justice of the Peace.

In Memoriam

In loving memory of our dear wife and mother who passed away a few days ago:

"The one we loved was called away.
God took her home, it was His will;
But in our hearts she liveth still."
Sadly missed by:
