

# JEWELERS WOULD BAR AUCTION SALES OF CHRISTMAS FINERY

---

Eight Duluth retail jewelers yesterday submitted to the city council a petition asking that no further licenses to jewelry auctioneers be issued the rest of this year. It is stated that the retailers find auctioning a nuisance at this time of the year when they are prepared for the public with large and reliable stocks.

The petitioning concerns are the Henricksen Jewelry company, Bagley & Co., Gust A. Klein, T. F. Reinhart, Garon Bros., Joseph Gruesen, John B. Erd and L. Oreck.

The petition will be considered at the regular council meeting Monday.
