**Duluth Banquet Idea Approved.**

Suggestion of Richard Cullum, treasurer of the Duluth club, that the Zenith City students hold a banquet, has met with approval on the campus, but owing to the fact that the Christmas holidays are near, the affair probably will not take place until after the first of the year. Albert Olson, Paul Flinn and Ellis Eutchart, aided by Edmund M. Morgan of the law department are now framing a constitution and by-laws for the club, which will be voted upon at a meeting which will be held soon.

Steps will be taken immediately to have the Duluth club recognized as an official organization by the university authorities, officers say. This matter also will be discussed at the next meeting.

The Adelpian and Tau Shonka clubs, sophomore and freshman fraternity organizations, gave a joint dance Saturday at the Plaza hotel in Minneapolis. Richard Cullum of Duluth, a sophomore fraternity man, was in charge of arrangements.

Ted Fleury, Weston Prudden, Walter Laurenz, Lawrence Dow, John Fredin and Frank Kelly of Duluth are members of the Tau Shonka.

**Duluthians at Cadet Hop.**

Stanley Laskey, John Bacher, Otto Steele, Alton Gujer, Reginald Reed, Mandel Levi, Harold Coe, Max Donaeur and Walter Maseau are a few of the Duluthians who attended the first cadet hop of the year in the school armory. Coeds who attended the party were furnished partners by an introduction committee composed of officers. Several cadet hops will be given during the year.

Women of the junior class will be allowed to participate in the election of officers for the junior ball association this year, according to action taken by the all-university council, of which Wendell Burns, Duluth, is president. Heretofore only men could vote for officers. Charles P. Gillen is the first to be nominated for president of the association. Officers will be elected Dec. 11.

Archie J. McDermid of Duluth last week was initiated into the Minnesota Alpha chapter of the Tau Beta Pi fraternity. McDermid will be graduated from the school of mines this year.
