Secretary of the Treasury,  
Washington, D. C.

Duluth has exceeded its per capita allotment of one million eight hundred thousand of Liberty bonds by two hundred thousand after a nine-day campaign and subscriptions are still coming in.

**LIBERTY LOAN COMMITTEE  
OF DULUTH.**

The above telegram was wired to Secretary McAdoo immediately at the conclusion of the meeting of the Duluth Liberty Loan committee yesterday-noon when it was announced that the total subscriptions amounted to \$2,001,400. Yesterday's pledges totaled \$117,450.

The enormous contributions that enabled the Zenith City to wire the completion of part of its task was brought about largely through the energy and application of the various committee members.

In yesterday's list of solicitations the following committees played a domi-
