

SPREAD THE GOOD WORD, SAYS MRS. A. M. HUGHES

Wants Others to Know How Tan-
lac Has Overcome Troubles
of Many Years Standing.

"Little did I think I would ever give a public statement for a medicine but Tanlac has proved so wonderful in my case that I want to spread the good news around," said Mrs. A. M. Hughes, 956 Thirty-fifth street, Milwaukee, Wisconsin, in relating her experience with the medicine, a few days ago.

"My stomach had given me trouble for years," she added, "and I had been treated so much and spent so much money for medicines without benefit I was all out of heart. For eight years I had been unable to eat any meats, and vegetables always caused me trouble. Even cereals, milk toast, the lightest kind of diet oftentimes caused gas to form on my stomach, keeping me in pain and misery for hours. I often suffered with heartburn and the gas pressing around my heart caused it to beat so hard and fast it was all I could do to get my breath. I had raging headaches nearly every day and got so dizzy when I stooped over or was going up or down stairs I felt like I was going to pitch forward and had to catch hold of something to keep from falling. I had awful pains in the small of my back and under my shoulder blades, that hurt me so when I leaned over I could hardly straighten up. At times I had rheumatism in my shoulders and arms so bad it was all I could do to use them. I slept but little for I was constantly in pain and very restless and when I got up in the mornings often felt worse than when I went to bed. I just kept getting worse in spite of all I could do.

"So many people with troubles like mine were praising Tanlac in the papers, I sent for a bottle and the first three or four days I took it convinced me that what I had read about it was the truth. Before I finished the first bottle gas stopped forming on my stomach, those awful pains had left me and I began to feel hungry. I can now eat most anything in reason and my stomach troubles me so little afterward I hardly notice it. My head aches no more, I am entirely free from pain and have no more dizzy spells and am able to get plenty of sound, restful sleep every night. Tanlac has done me a world of good, so much in fact, I want my statement published for the benefit it may be to others."

Tanlac is sold in Duluth at the W. A. Abbott drug store under the personal direction of a special Tanlac representative. Also the leading druggist in every town throughout the northwest.—Adv.
