

Armistice Ball Big Social Event at Virginia Nov. 11

Virginia, Nov. 2.—(Special.)—The biggest social affair of the season will be the Memorial ball at the high school, set for 9 p. m. Armistice day by the memorial committee and the I Burt Pratt post of the American Legion.

The entire proceeds of this affair will be devoted to the memorial fund and will be used in the future toward the erection of a suitable memorial to the soldier and sailor dead of Virginia. A considerable fund is already on deposit but it is desired to add to this gradually until it is large enough to build a suitable memorial.

Representatives of the various civic organizations compose the memorial committee of which H. J. Scharr is chairman. The Legion committee includes Nathan Kellar, chairman, N. J. Quickstad, Jalmer Johnson and A. R. Hulbert.
