"The Best Servant in Your House"
The Cabinet With the Wonderful
Automatic Lowering Flour Bin
and 14 Other Features Women Have Always Wanted

Come in Monday and see this master cabinet. Never before have so many conveniences—so many distinctive features—been combined in one cabinet.

This Sellers "Special"—almost as beautifully finished as a piano—is the most complete cabinet ever built.

Beginning tomorrow hundreds of thousands of women will witness a demonstration of the wonderful Automatic Lowering Flour Bin—which positively eliminates all the old work and bother of filling.

See this demonstration at our store! See the Automatic Base Shelf Extender! The guaranteed Porcelain Table Top! The patented Ant-proof Casters and dozens of other features never before combined in any one cabinet.

COME IN MONDAY

See this master Sellers "Special" before you decide upon any cabinet. With all its improvements—with its wonderful beauty and strength—this wonderful cabinet costs no more than ordinary cabinets. Every woman should see it!

ASTIGMATISM
ANTHROPOMETRIA

If you are not a student of eye structure the various names given to eye-defects may confuse you. Our optometrist however, with the aid of his ophthalmoscope will examine the interior of the eye for opacity and use type and lens tests to discover your exact eye-ailment. We will make you the proper glasses.

BEATS GASOLINE AT 15 CENTS A GALLON

New Invention Makes Fords Run 34 Miles on Gallon of Gasoline and Start Easy in Coldest Weather. Other Cars Show Proportionate Savings.

A new carburetor which cuts down gasoline consumption of any motor including the Ford, and reduces gasoline bills from one-third to one-half is the proud achievement of the Air Friction Carburetor Co., 257 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of all motors from 30 to 50% but enables everyone to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather without previously warming the motor. With it you can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. Many Ford owners say they now get as high as 45 to 50 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days trial to every car owner. As it can be put on or taken off in a few minutes by anyone, all readers of the News-Tribune who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents to whom they offer exceptionally large profits. Write them today.—Adv.
