**Connie Goldman, Blessed Memories, A Ritual of Remembrance  
Memory Book 2022**

We are grateful for your presence on September 20, 2022 celebrating the life and legacy of Connie Goldman and our ever-widening circles of Sage-ing remembrances. We gathered in Beloved Community honoring and remembering Connie, and recalling the bonds that hold us and the legacies that sustain us with tributes to deceased Honored Sages Rabbi Zalman Schachter-Shalomi, Angeles Arrien, and Bob Atchley. May this Memory Book of heartfelt tributes, collections of photographs, "chat" messages, video, music, and resources stimulate and bless your memories in the days and years to come.

We thank the Remembrance Team, Pat Hoertdoerfer, Judith Helburn, Rosemary Cox, Anne Boynton and Randy Morris for collecting the contents for this Memory Book. Martha Christie created a unique presentation which can be viewed on the SI Website through this [\*\*Memory Book link\*\*](#). On the Circle of Honored Sages webpage, after the photos of CHS members, the Connie Goldman Ritual of Remembrance Memory Book is posted. You may view the pages as a FlipBook, with icons at the top right to share, download as a PDF, print, go full screen, choose sound or mute, and other options. Red

text in the Memory Book provides live links to information. We hope you will enjoy this collection of Blessed Memories. This living document will allow us to honor and celebrate our beloved sages, and their stories will continue to inspire us for years to come. This is the magic of story telling at it's finest.

Connie glowed for Sage-ing International and the [Connie Goldman Scholarship Endowment Fund](#) continues to honor the light she shared with so many. The CGSE Fund was established in 2017 to honor Connie's 86th birthday, and she expressed her appreciation with these words of gratitude:

*"I am excited and hopeful that the Connie Goldman Scholarship Endowment Fund will encourage others with limited financial means to accept the opportunity to explore their deeper spiritual learning."*

**Your contributions have made Connie's hope a reality!** Due to your generosity we are able to continue to support scholarship assistance for SI-sponsored workshops, Signature and World Wisdom Series Programs, Enrichment webinars and training programs. If you have yet to contribute, we hope you will take this opportunity to make a gift to the [Connie Goldman Scholarship Endowment Fund](#). The Donate Button will take you directly to the donation page with the opportunity to specify your contribution for the "Connie Goldman Fund".

We express our deepest gratitude for your gifts honoring Connie's generosity of spirit and her enduring legacy.
