worked his entire career as obstetrician/gynecologist for Kaiser Permanente. He took pride in being one of the first doctors to open the Kaiser clinic and hospital in Terra Linda. Edwin was an avid sailor and active musician playing the clarinet in local community bands right up to the end of his life. He was a joyful, active, and loving family man and community member throughout his life. He enjoyed his dear life-long friends. His wide reading and quick wit inspired a sense of humor and lively engagement with the world that was appreciated by family and friends. His house was always filled with laughter, family and friends. As the patriarch of a large and extended family, he was beloved and will be greatly missed by all who knew him. Edwin was predeceased by Josephine (his beloved wife of 57 years), who died in 2007. He was the loving father of four sons, Jeffrey, Steven, Wade and David, and their families. He was devoted to his eleven grandchildren. He is survived by one of his three brothers, Lowell, a life-long companion and friend. A private family memorial will be held for Edwin. In lieu of flowers, please send donations to the Planned Parenthood and please note "in honor of Edwin Gordon."
