Dear Uncle Leonard and family,

I am deeply saddened by the passing of Aunt Claire. I have fond memories of her. She had a special kindness and a welcoming smile. I recall her taking care of me when I was a young teenager and my parents were out of town - she was very thoughtful and caring. I know that she touched the lives of many and she will be dearly missed.

My heartfelt sympathy goes out to all of the Savitt family, especially Uncle Leonard at this difficult time. Aunt Clara was a wonderful artist with both a paint brush and words. I will forever cherish the story she told about my mother and Uncle Leonard's car when we were all together in Minnesota. Words are simply not enough, it is the sweet memories of moments that I hope help fill the void. Love and Hugs to all of you,

Dear Uncle Leonard and Family,
How sad we were to learn of Aunt Clare's illness and death. I was fortunate to share a lengthy conversation with her shortly before she became ill, and now I treasure the warm, caring discussion we had. She was such an intelligent, thoughtful woman we all will cherish our many memories. Our love and thoughts are with all of you.

Love,
Sue and Doug
