Mom, it is now coming up to one year since you passed. It still does not feel real. I think of you all the time and wish you were here. I know that you are at peace and you are always looking down upon us. Love you, and miss you dearly. Lisa

Phyllis will be missed by me and my family, we only knew each other a short while as neighbors for 5 years. My daughter adored her and so did we. Our prayers are with all of her family in this time of mourning.

Our best trip ever was visiting Winnipeg 2 years ago and seeing Auntie Phyllis. We shopped, went out for dinner, and stayed at her place as well as staying up late till 2 am telling funny stories. We all enjoyed her company, her laughter, and her stories as well. We will miss you Auntie Phyllis, you will be sadly missed by all of us, Our condolences to her family.
